

November 27, 2023

Dear Parent(s) or Guardian(s),

At the end of our students 6th, 7th, and 8th grade year they are required to complete an assessment called the Georgia Milestone Assessment. This assessment, along with other components, helps to determine our school's College and Career Readiness Performance Index (CCRPI). The CCRPI is an accountability measure that the state of Georgia uses to determine how well our school and our school district is preparing our students for college and a career.

To support our scholars in their efforts to demonstrate their learning at an optimal level, we will be offering select scholars an opportunity to attend an Extended Learning Program.

The Extended Learning Program will be offered on Tuesdays, Wednesdays, and Thursdays during the months of January, February, and March. **Parents will need to provide transportation home for scholars.** The program will begin at 4:30 pm and end at 6:30 pm. We will provide scholars a snack, milestone preparation, and homework help.

If you are interested in your child being a part of the program, please scan the following QR code or use the link below to register by December 8, 2023. We will notify you of your child's acceptance status.
