Greetings Parents,

Welcome to the 2016-2017 school year at WSE! I am extremely proud and very excited to be the principal of our awesome school. Windsor Spring Elementary is a true community school with a legacy of academic success and diversity. We recognize the amazing potential of every child and work as a collaborative team to "achieve excellence and success" for all students.

I'm honored to serve as the instructional leader and committed to ensuring our school maintains high academic standards by providing a rigorous academic program that addresses the individual needs of each student. Our school has a dedicated staff who is also committed to the success of our students and works collaboratively to provide the most effective instructional learning experiences. This year, we will continue the implementation of our Strategic Plan with a focus on personalizing learning for our students. Personalizing the learning of our students will be achieved through effective instructional strategies and creating project based learning opportunities to promote student achievement.

The instructional day is from 9:00 AM to 4:00 PM, and all students are expected to stay the entire time in order to get all of their scheduled instruction. We understand that there are instances when your child needs to be checked out early for a medical appointment, emergency, etc. If you need to check your child out early, please do so before 3:30 PM. The front office staff is committed to facilitating the schoolwide dismissal process, and this preparation begins at 3:55 PM. Early dismissal is reserved for emergencies or extenuating circumstances and is not designed to be a regular occurrence. Students who have more than 5 early dismissals without an excused reason in writing (medical excuses, dental appointments, etc.) will be examined and addressed on a case by case basis.

Thank you in advance for your understanding. We want to work as a team to make sure that your child is present all day every day to benefit from all instruction that is provided.
